

Airpac Rentals aim to not only satisfy, but will also strive to exceed our clients' expectations by providing them with excellent products and services, in a safe and environmentally friendly manner, therefore our aim will always be to:

- Conduct our work with the goal of zero harm to people, material and the environment, including zero impact from our operations and activities on the community in which we operate
- Provide an Integrated Management System that complies with ISO 9001:2015, ISO14001:2015 and ISO 50001
- Continually improve our performance through the participation, commitment and support of all our employees
- Clearly define and document our goals and objectives
- Train and develop our people to the standard required to deliver excellent service to our clients while demonstrating our commitment to QHSE best practice, compliance and improvement
- Identify and comply with all relevant legislation and industry standards
- Protect the environment in which we live and operate
- Ensure careful use of material resources to reduce waste and pollution
- Create a culture that aids the prevention of injury and/or work related illness
- Ensure the health and safety of any sub-contractors and other persons who may be affected by our activities
- Ensure that all employees are aware of their statutory duties and take reasonable care of themselves, others and the environment in which they work and live.
- Ensure confidentiality of information, including that provided by our clients.
- Airpac also recognises that there are risks associated with fire safety at work and will ensure that appropriate fire safety arrangements are implemented to protect employees and others from the risk of fire.

Airpac Rentals will endeavour to achieve these aims and meet our business objectives through the review and continuous improvement of the Integrated Management System including our environmental performance, internal communication, competent and professional supervision, and the ongoing training and development of all our personnel.

Haydn Davies
Managing Director
